**Big thanks!** The Ryde Co-op would like to thank Richard Break of Port a Mill Services and Enviroman Wood (705- 687-9312) for milling the pine for our new board and batten facade (coming soon). As well, thanks go to Andrew Taylor for donating the wood, Andrew Taylor and Rod Cronin for their assistance in the milling, and to the family of Bruce and Jean Stephenson for their donation towards the installation and quilt. **Notice:** If you are the owner of a  
property that hosts one of our lovely  
barn quilts, congratulations! You now  
own the quilt. Under the original  
agreements, the quilts were to remain  
the property of the Co-op for five  
years. That time has passed, and  
most of the quilts look just as fresh as  
they did on installation! We thank  
Dulux, who donated the fine quality  
exterior paint used on the original  
quilts.
